Hi, I am Oima,
an Esmeralda Lizard girl who lives in the other world.

On Earth, I would be called *Lacerta Esmeralda* – and I find that very flattering.

I live near LL 351 in the forest by the shore, not far from the famous Anana Bay. I like to sit on my rock in the sunshine and look out at the sea and the waves.

Many people pass by – and I am delighted when they pause for a moment and admire me. Hold out your hand to me, and perhaps I will rest in it for a few minutes. But please do not touch me – I am somewhat skittish.

When you see me, smile at me – and I will remain in your hearts forever.
